Palamas Wallop Aalas

In 12 to 4 Game At Riverside

The Palamas did things to the Aalas yesterday at the Riverside games, and the J. A. C. had the Chinese going through a 9 to 5 game.

The story of the day was one awful slaughter for the team which dropped the hoodoo name that it might not be followed by the ban, and which has not been able to get away from it since. They were beaten, 12 to 4.

The Japanese earned most of their nine runs, and had the game from almost the first. Needless to say, better baseball was played than in the former contest, though there was less of tragic interest connected with it.

The scores were:

BASEBALL RENAISSANCE

Jess Woods is confident that with the Reach All-Americans under his wing he can get the crowds out to the Ball Park reminiscent of the days of old when he introduced here the first team of professionals ever seen in the Islands. Jess says that it will be the panacea for present baseball ills, as a re-creation of really good baseball here, played by some of the most noted men in the baseball world, will be a great thing for the Honolulu Baseball League as well, and for its purse.

It is at least certain that Woods cleared up \$3,000 on six games here last year, and that he can drum up the crowds if anyone can.

The Young Bulletins yesterday beat the Young Castros in a game of ball played at Atkinson Park, by a score of 13 to 9.

Jess Woods Has Trip Of

Star Team to Orient All Fixed

Jess Woods, manager of the Reach All-America baseball aggregation, which is to tour the Orient this fall and play ball here next spring, drifted in on the Korea yesterday on his way to the States, after making dates for the team all over the Far East.

"Everything is all right," Jess said. "I have all the arrangements made. Forfeit money is up everywhere, and everything is on paper. The team will take in Japanese and Chinese ports and Manila.

"And, talking about Manila, that is absolutely the greatest ball town out this way anywhere, not excepting even Honolulu. There are a lot of ex-professionals there, and they will give us the worst rub we will get anywhere, or I'm mistaken.

"Besides, there will be 5,000 soldiers camped in a radius of three miles at the time we are playing there. That means crowds.

"No; I shan't come over here with the team. Baggerley of the Fisco Bulletin will come along and Mike Fisher will act as manager with the bunch. He will have an assistant manager, probably. There are to be a dozen players, in all."

Jess looked satisfied with life. He hailed the custom house launch to learn the outcome of the Attell-Moran fight, and was tickled exceedingly over the fact that Billy Papke had knocked out Ketchel. All ancient history, of course, but news yesterday on the Korea.

Woods received some letters here yesterday, among them some from Mike Fisher, in which the veteran manager states that he is swamped with applications to make this trip.

Ty Cobb is to be along with the bunch all right, says Jess, and will make the trip also his honeymoon. He was married some months ago.

Woods has arranged a schedule as follows:

Leave San Francisco on S. S. China Nov. 3; reach Yokohama Nov. 20, and games to be played as follows:

Yokohama Cricket and Athletic Club at Yokohama, Nov. 21.
Kelo baseball team at Tokio, Nov. 22.
Kelo baseball team at Tokio, Nov. 23.
Y. C. & A. C. at Yokohama, Nov. 24.
Waseda University at Tokio, Nov. 26.
Waseda University at Tokio, Nov. 27.

Picked Team of Japan at Tokio, Nov. 28.
Picked Team of Japan at Waseda, Nov. 29.
Picked Team of Japan at Kelo, Dec. 3.
Cricket match at Yokohama, date uncertain.

Kloto team at Kloto, Dec. 4.
Kobe team at Kobe, Dec. 5 and 6.
Sail from Japan on Nippon Maru, Dec. 8; arrive Shanghai Dec. 11; play at Shanghai, Dec. 12 and 13.
Sail from Shanghai, Dec. 15; play at Hongkong, Dec. 19. Cricket at Hongkong, Dec. 21.

SPORTIVE SFLURGES

The Oahu, formerly the Young Bulletins, lost to the Starlights at Kapiolani Park yesterday by a score of 2 to 1, in a game which was the result of a challenge from the Oahu to the winners. The game was lost by an error in the outfield in the ninth, when the left fielder let a fly ball through. This is the second game which these teams have played, the Oahu winning the former by a score of 5 to 1.

WHITE AGAIN WINNER

Austin White yesterday won the final round of the play for the Maono Cup, with a total score of 162, as against 167 for Gill and 173 for Armstrong, the men who finished next best.

The crowd which turned out was slim, owing to the intemperate hours kept by the Republican Convention the evening before.

NEW YEAR AT HILO

HILO, Hawaii, Sept. 17.—There is a prospect of some sport here at Hilo Park on New Year's Day. Negotiations have been under way with Honolulu horse owners and Louis Warren sends word that he will ship his two horses here, provided that the distance for a \$500, purse, with \$250 added for each entry, be 1 1/4 miles dash. Otherwise, he is not inclined to ship, as he feels that he does not stand a show at a shorter distance. He is willing, however, to take a chance at 1 1/4 miles. Other free-for-all races can probably be arranged so as to give the visitors a chance in case they lose the big event, which it is desired by the Honolulu men should come off first.

If a hui can be formed to take the matter in hand, as was done with the Fourth of July races, there seems to be no reason why a day's sport should not be arranged. An interesting event would be a challenge to the Wyoming champion, Ikua Purdy, for a roping contest with some of the Hawaii mountain champions that did not go to the cowboy contest in the States.

FIRST TIE SAWED

HILO, Sept. 17.—Within less than twenty-four hours of the dumping of the first rock for the Hilo Breakwater, the wheels of the big Ohia tie mill in Puna, erected by the Hawaiian Mahogany and Lumber Company, began to revolve. The first trial was made on Sunday, only a short one but enough to make Manager Harris, of the company, feel that some reward had come at last to the months of weary waiting, trials and tribulations.

On Monday morning in the presence of Manager Harris and Superintendent Sam Johnson and Ollie Shipman Jr., the mill Superintendent, Mr. Hayner, started all the machinery going and the party had the extreme pleasure of watching the wheels go round. They kept on going round all day without a hitch, except when stopped to tighten up a bolt here and there, or adjust some little parts that needed it. It was a sound, solid and comfortable sleep that the head men of the company had on Monday night.

Bright and early on Tuesday morning the big mill was again running in splendid order and was kept running till noon time when the new machinery had been sufficiently worn down and was running as smoothly as possible. After lunch, the first big log was put into the feeder and a test made of the mill's practical working. This was successful, and the first Ohia ties were turned out to fill the big contract with the Santa Fe Railroad.

Brig-Gen. James Allen, chief of the United States army signal corps, left New York on the steamer St. Paul to attend the international electrical congress at Marseilles, France, Sept. 14.

BOTTLE MESSAGE AT KAPAA

LIHUE, Kauai, Sept. 19.—When C. R. Gray came to the surface after a dip in the briny Pacific last Friday he bumped his head against something harder than the soft Hawaiian air. He grabbed hold of the obstruction and found it to be a bottle. At first he thought that he had stumbled on a stray specimen of his own stock but nearer inspection showed the contents to be entirely unfamiliar. Well ashore again, he pulled the cork in order to examine the interior, but could discover nothing but a piece of paper. Unrolling the latter, he was pleased to find that a friend he had never been introduced to had sent him the following message:

"From George Ponsonby, Chief Steward of the American ship Kenilworth, from Newport for San Francisco, 99 days out. March 10, 1908."

There was nothing to indicate the latitude or longitude where the bottle had been emptied and thrown overboard, but seeing that the Islands are a few hundred miles out of the road leading from Newport to Frisco, it is no wonder it took six months and a day to reach Kapa.

The Rev. Francis Tiffany, preacher, author and traveler, died at his home in Cambridge, Mass. He was born in Maryland in 1827.

Mrs. E. C. McAllister has just returned to New York after a tour of Europe, with one suitcase as her only baggage.

Why be bald headed and old looking before your time? Neglect of the hair causes dandruff, and dandruff is the forerunner of falling hair and baldness. The remedy is

Ayer's Hair Vigor

A gentleman residing at Dunedin, N. Z., writes under date Jan. 7, 1907:

"It is with gratitude I write you that I have now a splendid head of hair, both thick and very soft, all owing to my having used your wonderful Hair Vigor. I was almost bald headed before I used the Hair Vigor. I still use it once a day, rubbing it well into the roots of the hair. I used to wear a skull-cap, and I am very grateful to Ayer's Hair Vigor for the improvement it has made in my locks."

Be warned in time. Use Ayer's Hair Vigor and preserve your youth.
